THE ANCIENT TOWN OF SALEM, N. C.—SALEM, N. C., July 7, 1866.—Condition and Style of the Town. -- Salem is one of the oldest towns in Western North Carolina, and was, previous to the late General Orders war, in a flourishing condition, containing about two thousand inhabitants. Since the close of the former enterprise exhibited by its citizens.

One who never visited this "city upon a hill, will find much to amuse and instruct him, and he

The most noticeable feature, and which strikes the traveler, is the uniformity of the buildings, which present the same invariable style throughout, and gives the town a thorough German apwhere poverty reigns supreme.

live in a plain unostentatious manner. Neatness, comfort and care for the health of the community prevail. The streets are clean, but rather narrow, with good paved sidewalks, and in the muddiest weather you can walk from one end of the town to the other without soiling your boots to any extent. The town is surrounded by a dense canopy can be reached within a five minutes' walk from any point in the town.

PRINCIPAL BUILDINGS AND INSTITUTIONS.—The principal buildings consist of a large and commowhich would do credit to any locality.

In addition to what is here set forth, the culture f the grape has assumed a very important status in the budget of the State. Besides many foreign varieties, which are cultivated with rare success, the vines indigenous to the soil and highly productive are the Scuppernong, the Catawba, Lincoln, and Labella, the three first name yielding deern and Eastern portions of the State," writes a valued correspondent from Newbern, to the Journal, offers more inducements to the grape-grower, than any other part of the country. Our grapes are natives and flourish with but little care. Blight is seldom, if ever heard of, while land is cheap, and markets are near. The whole Eastern region waits but the touch of capital to spring into a wonderful activity in this elegant branch of culture. the people are willing and it only requires a judi cious investment of some small portion of the cap tal now so abundant at the North, to create here one of the finest grape and wine producing discricts in the world. But money and experience are absolutely necessary, and these, it must be confessed, are not at hand in this fine portion of the Old North State at present. The main difficulty, however, is the want of thorough knowledge of the culture required to subdue the wilderness of the native vines, and tone down the flavor of the fruit and beverage they yield to those delicious shades, so highly appreciated in the wines of Italy, Hungary, Germany and France.

In timber, the Eastern portion of the Commonwealth is, as we have said, peculiarly prolific.-

 SPIRITS TURPENTINE-The market for this article ruled quiet at the closing quotation in last report—40 cents—up to Monday, when it was somewhat strengthened by rather

During the late heated term at the North an ex- favorable advices from the New York market, and an ad-

Rosin.-During the week just ended the market has ruled quiet, and prices of the finer grades show a decline on previous quotations of from 50 to 75 cents-closing with less disposition on the part of buyers to operate than with less disposition on the part of buyers to operate than noted in our last report. For the lower grades the market has also ruled quiet, but prices remain about the same.—
The following comprise the sales for the week: 1187 bbls.
No. 1 at \$4,\$4 25, \$5@\$5 25—latter price for extra quality—
and £2 50@\$3 for opaque; 123 do. Pale at \$5 50@\$6 \$2 280
ths.—the market closing at lowest figures. Sales of 30
bbls. at \$1 75 for black; 216 do. at \$1 90 for common; 50
do at \$2 25 for strained common; 250 do at \$2 25 for strained comm for No. 2; 51 do. at \$2.75 for mixed grades; 166 do. at \$2 75@\$3 25 for red. TAR .- Continues to be brought to market slowly, and is

HEAT NORTH AND SOUTH.—A correspondent asks in fair shipping demand. Only one small iot received for the week, which sold at \$1.75 \$2 bbl. BEEF CATTLE AND SHEEP-There is only a light stock of beeves in butchers hands, but sufficient for present wants. We quote grass fatted on the hoof at 8@10 cents # 1b. for

BARRELS-In the market for empty spirit barrels we have nothing new to report. There is a fair enquiry for second hand ones, and the stock is quite small, and mostly of inferior ones; new are in moderate supply. We quote small sales during the week as follows: Second hand \$3 25@\$3 50 for lots as they run, and \$3 50@\$4 for selected; and new at \$4@\$4 50 for country and N. Y. make. BEESWAX-Sells at 3: @32 cents \$9 1b.

Corron-We have nothing new to report in the market for this article during the week just ended. There has been some enquiry from buyers, but owing mainly to the want of stock the transactions have been limited to two or three small lots at 32@83 cents \$ 15. for middling-the market closing at latter figure, at which it is now gener-CORN MEAL-There is merely a retail enquiry, and the

market is pretty well supplied. We quote at \$1 60@\$1 65 Eggs-Are dull of sale from carts at 25 cents & dozen. FLOUR-The market for Northern brands rules about the same as noted in our last report. There is merely a reail enquiry, and we notice a fair supply in dealers' hands: mostly, however, of the lower grades. We quote small sales from store at \$8 50 to \$9 for fine, \$9 to \$10 for superfine, and \$12 to \$17 @ bbl. for family, (Wilmington inspection.) One or two small lots of State brands have been

received, and selling at \$9 \$\varphi\$ sack of 98 lb .

FERTILIZERS—Are in limited request, and only small per ton of 2,000 lbs., \$110@\$112 50 E. F. Coe's Superphosphate of

Bau, h's Raw Bone Phosphate. GRAIN-For Corn the market has ruled inactive since our last report, though we have no quotable change to make in pri es. The demand is quite light, and merely bushels, which have gone into store. We quote from nowever, could not be obtained for cargoes. We quote cargo prices at 65 cents, and at retail 75(285 cents & bushel.—— PEAS—Continue to be brought in sparingly, and are in brisk demand. A few small parcels of Cow have been received and sold at \$1 35@\$1 4 \$2 bush-- Rick-Clean sells from store by the package at 13@14 cents # lb. for Carolina.

HAY Is in mod rate enquiry, and a prime article finds ready sale. A lot of 50 bales Eastern sold from wharf on Tuesday at \$1 45; and 200 do. Northern at \$1@\$1 10 % LIME—Supply fair, and demand light. We quote from store at \$2@\$2 25 @ cask. LCMBER.—River—The market is pretty well supplied, and rules dull. We quote the sale of only one raft floor-

ng boards at \$20 🤀 M Molasses.—There is a very fair stock of most descrip-Potatoes .- Irish are rather scarce, and enquired for .-

ve quote in the small way at \$2@\$2 50 # bushel. POULTRY-Has been brought in rather slowly the past week, and has met with ready sale. We quote live chickons at 20@40 cents, and grown fowls at 50@60 cents each, as to size. Provisions .- For N. C. cured Bacon the market has ruled quite active since last report, and prices have im-

proved a shade. There is very little coming to market, Parker, Chief of Police, in which both gentlemen and in consequence the stock has become luced, while we notice a brisk enquiry for joining The sales for the week have been mostly prices ranging from 20 to 22 cents for hog round 22 cents for hams, 20 cents for shoulders, and 214624 # lb. for sides, -according to quantity and quality. tern is [in light stock, and sells from store at 18@19 cents for shoulders, and 20@21 cents # 15. for sides, as in quality.——LARD.—Is in light supply, and is in fair demand for retailing purposes. We quote sales of North Carolina at 23@24 cents \$\mathcal{P}\$ lb. Northern sells at about same figures.—Ponk.—There is only a light supply of Northern on market, and merely a retail demand. Small transactions from store at prices quoted in table.

SALT .- The market rules firm for all descriptions, but we have no sales to report except in the small way. We quote from store at \$2 75@\$3 ₩ sack for Liverpool ground, and 75@80 cents # bushel for Alum. SHINGLES.—Scarcely any demand, and the sales have been confined to small boat loads at \$2 50@\$3 for Common, and \$4 50@\$5 50 W M. for Contract, as in quality. TIMBER.-Continues to be brought to market slowly, and we notice a brisk demand for mill purposes. Only 6@7 rafts received for the week and sold at \$8@\$10 for ordidary, \$11 50@\$13 50 for fair, and \$15@\$16 50 W M. for mill. Woon—Is in demand, and only small lots coming in.— We quote by the boat load at \$2 75@\$3 for pine and ash,

and \$3@\$3 25 \$ cord for oak. FREIGHTS-To coastwise ports the market rules firm, and we have nothing new to report. Our quotations in table show the rates now being paid both steamers and sailing vessels.

EXPORTS From the Port of Wilmington, N. C., for the Week ending

COASTWISE. To New York—670 bbls. spirits turpentine; 1,765 do. rosin; 27 bales cotton; 59 do. yarn; 1 do. sheeting; 7 do.
